DETAILED ACTION

Applicants amendment of claim 7, in the paper filed on 4/26/2004, is acknowledged. Claims 7-10, 12, 14, 23 and 28-42 are still at issue and are present for examination.

Applicants' arguments filed on 4/26/2004, have been fully considered and are deemed to be persuasive to overcome some of the rejections previously applied. Rejections and/or objections not reiterated from previous office actions are hereby withdrawn.

It is noted that applicants previous response neglected to include previously cancelled claim 13 in the listing of the claims and it is for this reason that the following examiner's amendment is made to the claims. This examiners amendment results in an identical claim set as that submitted by applicants on 4/26/2004, with the exception that claim 13 is included and listed as cancelled. This claim set was requested by the examiner as per MPEP 1302.04.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Janis Fraser on 7/7/2004.

The application has been amended as follows:

Please substitute the attached "requested" claim set for the current claim set.

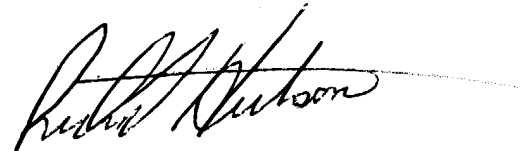

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Richard G Hutson whose telephone number is (571) 272-0930. The examiner can normally be reached on 7:30 am to 4:00 pm, M-F.
